

Canadian International Minerals Inc. (TSX-V: CIN) Appoints Mr. Rafael Vaudrin to Board of Directors

January 3, 2016 – Vancouver, British Columbia – Canadian International Minerals Inc. (the “Company”) (TSX-V: CIN) is pleased to announce the appointment of Mr. Rafael Vaudrin to the Company’s board of directors. Mr. Vaudrin has a Masters degree in Geosciences from the University of Tübingen in Germany, where he specialized in Exploration, Mineralogy, and Structural Geology. Mr. Vaudrin is fluent in French, English, and German, and holds dual Canadian and German citizenship.

To make way for Mr. Vaudrin’s appointment, Mr. Thomas Hasek, P.Eng, has resigned from the Company’s board of directors. Mr. Hasek will return to the Company’s advisory board and will continue to serve as the Company’s Qualified Person. Mr. Hasek is fluent in Czech and English, and holds dual Canadian and Czech citizenship.

Canadian International Minerals Inc. is committed to exploration and development in the prolific Erzgebirge “Ore Mountains” mining district that straddles the Czech-German border region. The region is host to a number of significant past producing copper, tin, cobalt and silver mines, as well as an advanced stage lithium deposit. Europe is host to a number of cobalt and electronic metals refinery plants, along with lithium battery plants operated by Daimler, Panasonic, and LG Chem.

Forward-looking Information

This news release contains projections and forward-looking information that involve various risks and uncertainties regarding future events. Such forward-looking information can include without limitation statements based on current expectations involving a number of risks and uncertainties and are not guarantees of future performance of the Company. The following are important factors that could cause the Company's actual results to differ materially from those expressed or implied by such forward looking statements; the uncertainty of future profitability; and the uncertainty of access to additional capital. These risks and uncertainties could cause actual results and the Company's plans and objectives to differ materially from those expressed in the forward-looking information. Actual results and future events could differ materially from anticipated in such information. These and all subsequent written and oral forward-looking information are based on estimates and opinions of management on the dates they are made and expressed qualified in their entirety by this notice. The Company assumes no obligation to update forward-looking information should circumstances or management's estimates or opinions change.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
